

# Leap Forward Childcare June 2018

## Three to Five Program

May was a busy month with the celebrations of our lovely Moms, Victoria Day and welcoming the sun and warm weather.

The children also created cards for Mother Day and they had a blast and a good laugh getting their feet and hands paint!

To celebrate Victoria Day, we made fireworks and that was super funny and very messy!!!

## some bug ice cubes and were fascinated watching them melt!!!

We continue having a daily dose of fun with dress-up and make silly faces with our friends.

We made potatoes stamps and that was fun! And some yummy rice crispy squares with strange colors!

Thanks to the warm weather and Mr Sun for shining on us, we have been able to play with water!!! We painted the fence and our little house with water, we also made

We have spent a great deal of time learning about bugs and how to make fossils (playdough). We also

had a bug hunt outside! What a wonderfully scary time!

This month the children will enjoy spending more time playing in the water tables outside, the large tubs and the sprinkler. Time to bring out the bikinis, bathing suits and shorts! We will also focus on learning about the ocean, fish and shells.

The children will also be making a surprise gift for their loving Father's Day. and will get ready for Canada Day.

We would like to say welcome to our new friends Cailyn and Uzoamaka and our new teacher Julie.

## Infant and Toddler Program

Last month the Infant and Toddler Program made beautiful Mother Day's card and some fun art for Victoria Day. Full on celebration this month!

They also enjoyed playing with colored ice cubes, freezing plastic bugs and splashing in the water outside.

The teachers also had fun hunting for bugs telling the children fun stories about them. The warm weather is such a welcome change to the cold!

Our little people are all growing up very quickly, getting stronger and smarter with each passing day.

This month we will making special Father's Day gifts for our beloved fathers. We will also enjoy Canada Day activities making flags, and maple leaves.

Just like their friends in the Three to Five Program the infants and toddlers are also looking forward to learning all about the sea, fishes, shells....

This month Infant Toddler Program will welcome their new friends Emily and Lincoln. We will also be celebrating Lincoln's 1<sup>st</sup> birthday this month!

## Friendly Reminders

- Family and Friends BBQ is Sunday June 16<sup>th</sup> 12:00pm-2:00pm. All staff members, families and friends of Leap Forward are invited to attend. No need to bring anything!
- We are closed Monday, July 2<sup>nd</sup> for Canada Day.
- All children must have appropriate footwear for outside. No flip-flops please. Toes must be covered. We prefer shoes that can get wet and dry quickly for water play!
- Summer hats and waterproof sunscreen are a MUST for all children in care.
- Extra t-shirts and shorts are needed for every child, in case we get wet!
