The waiting room is open on Saturdays only.

Washrooms are inside the dance studio across from the piano. Please do not use the daycare bathrooms.

Our wireless internet connection is the “guest” option. The password is “dancingisfun”.

VIEWING CLASSES

Can I watch my child’s class from inside the studio? Holding a child’s attention is the key to learning. All dance teachers with years of teaching experience agree that concentration is paramount in learning to dance.

Your child wants to please you and run to you for approval, and this is natural and normal. Unfortunately this disrupts class and makes the learning process difficult. We all want happy children who are benefitting from the full experience, and we therefore restrict parental attendance in the studio to Watching Weeks.

We have one Watching Week schedule prior to our Christmas Break and one prior to Spring Break. Family and friends are welcome inside the studio to watch the children dance during Watching Week. Please see the Calendar for specific dates. Parents are encouraged to view classes from inside the studio on Watching Weeks only.

All the above being said, Dance Exploration, Dance With Me and Pre-School Dance are “parent welcome” classes. Parents who are in attendance during these classes are required to observe quietly or to participate along with their child. We ask that parents who are in the studio not take photos/videos, nor converse with other parents. We also ask that parents allow the teacher to be the main “voice” during the class.

STUDIO

Food and drink, except water, are not permitted in the dance studio. Absolutely NO street shoes are permitted on the dance floor. Dirt, dust, and debris from street shoes can lead to falls and injuries and may harm the dance floor.

The dance barres and mirrors are for educational purposes only. We encourage the students not to hang or swing from the barres and not to touch or lean on the mirrors. The piano is a valued instrument. We encourage the students not to touch the piano without permission from the teacher or the pianist.

PHOTOGRAPHY

On occasion, we will take photos during regularly scheduled classes for the purposes of advertising and for in-house displays.

Picture Day takes place during our End Year Recital Dress Rehearsal or Recital. These pictures are made available to all families.

We request that parents refrain from taking photos/recordings of the End Year Recital.

The End Year Recital is professionally recorded and provided to families at a subsidized rate.
